

67 Breimba Street,
GRAFTON. N.S.W. AUST.
12th October, 1964.

Dear Mr. Rogallo,

I have for acknowledgement your letter of the 28th September, and thank you for your interest in our modest project.

I shall assemble as much information and as many drawings as I can, and forward them to you. I still have some unsolved problems, and would be greatly honoured to have your comments about them.

Yours sincerely,

(J.W. Dickenson)
