Dear John and Amy,

It doesn't seem like a year since we were
in Sydney or five months since I wrote to you.

1-yes I hope you received the package of papers I sent.
If you didn't, let me know and I will try to
do a repeat of it.

2-yes I often tell people of your valuable
contribution to hang gliding, and if I write
any thing of the history I will certainly include
your part. In the mean time, I would be
interested in hearing from you any time,
especially if you get a chance to write
more of your experiences.

Gertrude and I have stayed home since
we returned from Australia, and as of now
we have no trips planned. However, we have
seen many TV programs about Australia last
year and we always enjoy them more for
having been there.

We hope 1989 will be a good year
for you both and that some day we may
meet again.

Sincerely,

Francis + Gertrude Rozallo

P.S. Jan 17 Since writing this letter
Yesterday I opened my copy of USHGA
"Hang Gliding" magazine and saw a story
about Bill Bennett in which he gives you
some credit for getting him started.

The issue is Dec. 1988 and your name was
misspelled, but it was a welcome effort.
Bill Moyes probably gets these magazines.

History needs your story. I hope you
are able to write it.

Sincerely,

Francis
