IN THE UNITED STATES PATENT OFFICE

Allison)
 vs.) Interference No. 87047
 Rogallo, et. al.)

PRELIMINARY STATEMENT

State of Virginia)
City of Warwick) ss.:
)

Francis Melvin Rogallo and Gertrude Sugden Rogallo, being duly sworn, depose and say that we are the party to the above-identified interference, that we made the invention set forth by the counts of the interference in the United States; that:

- (1) A drawing and written description of our invention was made on or about August 30, 1952.
- (2) The first disclosure of said inventions to others was made on or about the 15th day of August, 1948.
- (3) The date of the first act or acts susceptible of proof, other than acts of the character specified above which, if proven, would establish conception of the invention, were actual experimental flights in the summer of 1950 witnessed by individuals whose assistance we sought for commercializing the kite.
- (4) The invention was actually reduced to practice on or about the 15th day of August, 1948.
- (5) Active exercise of reasonable diligence toward reducing the invention to practice began on or about August 15, 1948.
