BEFORE THE EXAMINER OF INTERFERENCES

DOCKET DIVISION

JUN 7 1955

U. S. PATENT OFFICE

Gertrude Sugden Rogallo and :
Francis Melvin Rogallo :

Interference No. 87,047

William M. Allison :

In the matter of the above entitled interference there is filed concurrently herewith a concession of priority by Gertrude Sugden Rogallo and Francis Melvin Rogallo conceding priority of invention of the subject matter of the count comprising the above identified interference to William M. Allison as the original, true and first inventor thereof.

In view of this concession of priority and the request contained therein, it is hereby requested that this interference be terminated by an award of priority to the Party Allison.

Respectfully submitted,
