Patent Interference No. 87,047

Rogallo and Rogallo v. Allison

MAILED
JUN 3 1955
U. S. PATENT OFFICE

A concession by Rogallo et al., the junior party, to Allison of priority of invention has been filed, and the same is found to comply with the requirements of Rule 262.

Accordingly, priority of invention of the subject matter in issue is hereby awarded to William M. Allison, the senior party.

The said concession is construed as a waiver of the right of appeal, and the proceeding is terminated.
